

PUBLIC NOTICE TO BOIL WATER

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking and making of ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

When you no longer to boil water, Levi Water Supply will notify you that the water is safe for consumption. Instructions to discontinue boiling will be issued in the same manner as this notice.

If you have any questions concerning this matter, you may contact Levi Water Supply at 254-857-3050.
