

The health and safety of the Levi Water Supply Staff, Associates, and Customers is of high priority to the Levi Water Supply Board of Directors & Management.

Because of the Corona Virus and the requests of public officials to minimize any exposure to the public, the decision has been made to restrict access to the Levi Water Supply business office. The business office will be closed to the public. We can be contacted during the normal business office hours of 9:00 – 12:00 & 1:00 – 4:00 for conducting the business of the water supply.

If you need to schedule an appointment with the manager, you can contact him at 254.292.2762 or jim@leviwater.com.

Access to the water plants has always been a restricted entry and is limited to companies that provide necessary services for repair or maintenance and have been approved for entry by the management of Levi Water Supply.

You can contact us by telephone at 254.857.3050, email at accounts@leviwater.com, or website: leviwater.com

You can pay online at leviwater.com. For your convenience we do have a drop box in the door of the business office or the water plant on Water Well Road. We do discourage cash payment transactions at this time.

Thank you for your patience, understanding and consideration.
